2017 Parts Special & Filter Sale

Dear Valued Customer,

> All LED lights are 15% off during the month of February!

Sayler Implement, Inc. would like to invite you to take advantage of our **one week parts sales** event and our special **two month filter sale**!

PARTS — 10% cash discount* on in-stock or stock ordered parts bought across the counter when you purchase your parts **Monday, March 6th, 2017 through Saturday, March 11th , 2017.**

FILTERS — 15% cash discount* when you place your filter order during the months of **March** and **April**. Save **precious $$$** with our *everyday low truckload prices on oils*—from 55 gallon drums to gallon jugs. We also carry filters for all makes and models of equipment! For your convenience we have included a filter and oil order form. **Get your order in today!**

==If you choose to pickup your filters in February, we will honor the March and April prices so you can take advantage of the spring sales program!==

These two sales are a terrific once-a-year opportunity; you can get quality parts at reduced prices! With outside temperatures still below freezing, now is a great time to look over your tractors, seeding, tillage, haying, and harvesting equipment to see what types of repairs or maintenance it may need.

If you have any questions or want to place an order, you can reach us by one of the methods listed below. You can also check us out at www.saylerimplement.com!
